NAAMCOS Nithyashree

Women Empowerment -

To uplift economically challenged women, NAAMCOS launched the high tech Poultry development scheme, providing:

- 20 layer hens per unit
- Modern poultry coops
- Training and feed support

NAAMCOS Homeshoppy

A new age cooperative retail model delivering daily essentials directly to homes.

- Each cluster of 20 homes is served by a member-distributor with a micro-stock.
- Delivering fast moving consumer goods from several SSI units with High quality at your doorstep.

Growth, Innovation & Future Vision

Agri-Farm Tourism & Fisheries Development

As part of its diversification, NAAMCOS is establishing:

- A fish Hatchery Project at Kozhikode
- A broiler Poultry Farm at Wayanad
- NAAMCOS EcoAgro village
- Plant Nursery at Gudallur
- Poly Farm at kasargod
- Bamboo plantation at kasargod
- Teak plantation at Idukki

These ventures combine sustainable aquaculture, tourism and education -encouraging youth participation and Eco-friendly income sources.

Organic Vegetable and Spice Cultivation

NAAMCOS promotes chemical-free cultivation by forming 10-member farmer groups and supporting them with:

- Seeds, saplings and inputs
- Technical guidance and training
- Subsidy linkages through NABARD And agriculture Department
- Cardomom cultivation
- Turmeric cultivation

This year, over 5000 kilograms of native turmeric seed were distributed, reviving traditional spice farming.

Agri-Business & Processing Initiatives

- Flour mill at Kannur
- Coconut oil mill at Kozhikode.
- Chapathi manufacturing unit at Kozhikode.

NAAMCOS Green Grid

Powering a Cleaner Tomorrow

- Rooftop Solar Systems
- Ground-Mounted Solar Plants
- Solar Micro-Grids & Village Solarization
- Solar Pumps for Agriculture
- Solar Cold Storage Units

Our Vision

To build a self-reliant, sustainable, and technology-enabled cooperative ecosystem that ensures prosperity for every member — from farmers to consumers.

Our Mission

Through cooperation, innovation, and social responsibility, NAAMCOS bridges the gap between producers and consumers, ensuring fair prices, pure products, and inclusive growth.

Our Upcoming Projects

NAAMCOS Carbon Credit Program

NAAMCOS introduces a Carbon Credit Program to promote sustainable plantations and generate additional income for farmers and landowners.

Eligible Plantations

- **Bamboo Plantation** – Fast-growing, high CO₂ absorption, quicker Carbon Credit generation
- **Teak Plantation** – Long-term carbon storage with added timber value

Industry Segments We Serve

- Agriculture & Farming Communities
- Government & Public Infrastructure
- Housing Societies & Commercial Spaces
- Factories & Industrial Parks
- Cooperative Societies
- Schools, Colleges & Institutions

Naamcos Support

Project registration, certification, monitoring, and Carbon Credit sales support.

Green Income | Sustainable Future

- Solar EV Charging Hubs
- Biogas-based Rural Energy Clusters
- Smart Solar Village Pilot Programme
- Biodiesel Collection Network & Fuel Stations
- Agri-Waste to Power Plants

Our Vision Forward

Positioning
Naamcos as India's
model cooperative
for inclusive growth

Strengthening the
Farm-to-Consumer
cooperative chain

Expanding to
new states and
national markets

Promoting rural
entrepreneurship
and self-
employment

Ensuring food safety
and environmental
sustainability
